"The incredible support given by the community to individuals with disabilities in 2019 was amazing! Whether you've volunteered, donated or supported a Bona Vista event, I am thankful for your engagement. Looking at 2020 goals, I look forward to working with local community members on supporting inclusion for persons with disabilities in our community. I reflect on how all supporters of Bona Vista have enriched and sustained our organization in so many ways. To each of you I am grateful."
