MESSAGE FROM BRIANNE BOLES

" 2020 was a year of uncertainty, but also a year of growth for Bona Vista. We were able to pivot quickly to learn new ways to provide services in the midst of the pandemic. I am thankful for the community support that we received from sponsors and donors that helped us continue serving the adults and children in our programs. We made much progress as an agency and I look forward to the opportunities

in 2021. When you support Bona Vista, you truly make a difference in our community. For this I am humbled and grateful."

Thank you,

Brianne Boles
