April 2019

Spring is here and warm weather awaits! We have started to get outside more and persons served (and staff) really enjoy that. Not only are they enjoying playing football and other games in our yard, but they are also excited to start going to parks, nature centers and the zoo!

Happy April, everyone!

Adult Day Services Highlights

Adult Day Services has gone on exciting outings lately! Some outings include checking out the YMCA, volunteering for Cross America, planting flower baskets for the City of Kokomo, spending time at the library and playing at local parks. Also, once a week, persons served are able to choose where they would like to go that day, and they love that!
