## Adult Day Services Newsletter

### July 2018

---

You may have noticed a few changes going on at Bona Vista Programs lately. Have no fear, though! We may have new leaders, people with new job titles, and buildings that have been renamed, but we are still dedicated to our mission!

***We build the foundation of success for children and adults, regardless of abilities, through encouragement, independence and inclusion in reaching their maximum potential.***

Happy July, Everyone!

Lindsey Gordon, Assistant Director of Adult Day Services

## Adult Day Services Highlights

### Bona Vista Gift Store

Our persons served in the AIM department are working hard on items that are being sold in our gift stores. Recently, they have been working on sugar body scrubs, wooden pallets, canvas art, ceramics, handbags, and so much more! You can purchase these items at our 3 gift store locations and on our Etsy site listed below. If you're interested in ordering a custom

decorated wooden pallet or sign, we have new order forms available via email. Please email [kzehring@bonavista.org](mailto:kzehring@bonavista.org) for inquiries.

### BV Bistro

The Bona Vista Bistro crew participated in the Greatest Spectacle in Tasting, Meridian Park Open House, Meridian Park Ribbon Cutting, Jill Dunn's going away party, and the Bona Vista Community Birthday Party. Persons served in the BV Bistro made their specialty, chocolate dipped pretzels, along with cupcakes, fruit trays, cheese trays, punch, and cookies. Person served, along with Paul Pickering, staff in the Individual Habilitation Department worked hard to create these delicious items. They were also able to enjoy themselves at each event by helping to set up, hand-out, and clean up at each event. The Bistro is currently volunteering these delicious food items, but soon will be able to sell these same delicious food items as well as be available to cook and bake items as ordered.
