Staff Spotlight

Kory Overly, Adult Day Services Advisor: Kory is the Adult Day

Services Advisor and has been with Bona Vista since 2016. Kory was previously a CDD in our Sky program and quickly became a fan favorite among persons served. As the Adult Day Services Advisor, Kory helps plan outings, works with the Bona Vista Bistro, has small mentor groups with persons served, and helps with agency events.

Kory's favorite part of the job is spending time with persons served and ensuring they have a meaningful day!

Marty Johnson, Opportunity Knocks CDD: Adult Day Services is lucky enough to

have Marty, who just happens to be Bona Vista's longest standing employee!

Marty has been with the agency since 1984 and began as a workshop

supervisor in production. Throughout the years, Marty has become another

family member to our persons served. Those persons served who have been

with the agency for many years have grown up with Marty. Marty is currently a

CDD in the Opportunity Knocks! Level 1 program. He works with persons served

throughout the day on production-oriented tasks to gain skills necessary for

volunteer work or future employment. Marty's dedication to the agency is wonderful to witness! He

has been a mentor for many employees, as well as our persons served. We are truly blessed to

have Marty!

Adult Day Services Highlights

This past month has been full of exciting things for our persons served! We held a Halloween party full of games, face painting, and sweets. Persons served love having parties, so they enjoyed themselves immensely! There has also been quite a few outings they've taken, including: Elwood Haynes Museum, working with Kokomo Area Career Center Culinary Arts class, crafts at Wellbrooke, a tour of Jerrell Orthodontist, and looking at the We Care Christmas trees!
