

Bona Vista

Mission

Bona Vista Programs is a 501(c)3 not for profit organization, which for more than 55 years has provided much needed programs and services to our community. Our mission is "Building the foundation of success for children and adults, regardless of abilities, through encouragement, independence and inclusion in reaching their maximum potential."

Vision

Bona Vista Programs, Inc. is committed to improve the quality of life for the children and adults enrolled in our services. We are focused on identifying and implementing the best practices in the care and treatment. We focus on finding positive options for the children and adults we serve each day. All staff members are committed and dedicated to the highest continuum of care for all persons served.

The Community Based Habilitation - Individual (CHIO) Services Program

This goal based program includes services outside of the individual's home that support learning and assistance in the areas of: self-care, sensory/motor development, socialization, daily living skills, communication, community living and social skills. Community based activities are intended to build relationships and natural supports.

Some services included are:

- Community/public events
- Educational activities
- Volunteer opportunities (unpaid)
- Hobbies
- Develop self-advocacy skills
- Learn skills to become more independent

The Participants Assistance and Care (PAC) Services

Services are provided to assist consumers to live successfully in their own homes and function in their communities. PAC service is a non-goal based program that can be provided outside or inside the home of the person served. PAC services support learning and assistance in the areas of: daily living skills, self-care, scheduling appointments, paying bills, chores, cooking meals, and leisure activities.

Respite (RSPO) Services

RSPO is a non-goal based service. Respite Care is typically provided in the home of the primary caregiver; however, it can be provided in the community. Respite Care Services provide temporary relief to a caregiver. Services can provide assistance with:

- Toileting and feeding
- Daily living skills
- Grooming and personal hygiene
- Meal preparation
- Administration of medications

Supported Living Services

Supported Living is an alternative to institutional care and offers family-oriented services for eligible adults and children with developmental delays as well as mental, physical, or emotional challenges. Our staff helps these individuals be as independent as possible. Many, in fact, live in their own home.

Our highly trained Direct Support Professional meets the mandatory qualifications for Indiana. They are flexible, respectful, creative, and promote the unique identity of each individual and family served. In addition, the Supported Living program also employs leadership staff to assist with scheduling, staffing, training, financial needs as well as quality assurance to provide support for persons served.

We assist individuals with:

- Budgeting
- Leisure activities
- Medical needs
- Household chores
- Fine and gross motor skills
- Grocery shopping
- Personal hygiene

Based on a person's needs, Supported Living Services can be provided for as little as four hours per month to 24 hours per day. Services are provided in an individual's home setting and in the community.
