Persons Served Spotlight

Meet Cathy: Cathy resides in a group home operated by Bona Vista and, attends Community Connections full time. Cathy arrives to Community Connections with a smile on her face and is ready to spend time with her friends. Throughout the day, Cathy works on making necklaces, writes letters to her friends and enjoys getting her nails done. Cathy has been a

staple in the Community Connections program for many years, and her smiling face is something staff and persons served always look forward to seeing!

Community Connections Highlights

In the month of March, Community Connections was able to take quite a few outings. They visited the Peru Circus Museum, Haynes Apperson Museum, Grissom Air Force Base and several farms around town to look at animals! If you have ideas of places our persons served may enjoy visiting, let us know!
