Pre-Employment Transition Services (Pre-ETS) for students with disabilities in need of services who are eligible or potentially eligible for Vocational Rehabilitation Services.

Pre-ETS works with eligible students in the following areas:

- **Job Exploration counseling**
Discussing students vocation interests and career pathways
- **Work-based learning experiences**
Apprenticeship, job shadowing, internships, interviews and volunteering opportunities
- **Postsecondary education counseling**
Attending college fairs and tours, gaining awareness of future careers, and providing information on local resources and supports
- **Workplace readiness**
Receiving training on communication, problem solving and other specific social and interpersonal skills, including independent living skills
- **Instruction in self-care**
Training on self-awareness, disclosure of disability and knowing individual rights and responsibilities

Pre-Employment Transition Services are provided at no cost to student, families or schools. Bona Vista's WorkForce Diversity program works in conjunction with the North Central Collaborative (NCC). The NCC works with schools to choose the most effective way to provide Pre-ETS services to eligible students.
