Agency COVID-19 protocols still in place:

Immediately upon entry to any building, community living, group home or leased space where BV conducts services, a mask must be worn and hand sanitizing and temperature checks must be performed;

Masks should be worn in any building at all times, including the hallway, restroom, copy room, conference rooms, shared spaces, etc.;

Prohibiting in-person meetings and encouraging the use of virtual meeting platforms, if in-person meetings are essential, we are limiting the size of meetings to 25 people or fewer;

Employees and persons served should avoid sharing workstations or equipment;

Disinfecting/cleaning protocol in effect;

Social distancing floor discs are being utilized;

Employees and persons served should remain home if they are sick;

If you have any questions or concerns, please contact us at 765-457-8273.

Stay well,

Brianne Boles
